

## Experience the savings of a L.I.F.E. Association Membership

L.I.F.E. Association is a not-for-profit, members only association that provides the most up to date information available to Empower Members to make Informed Choices to positively impact their day-to-day lives.

Your My LIFE Wellness Membership gives you access to:

### Active & Fit

With Active & Fit Direct program, you can choose from 11,000+ participating fitness centers and select YMCAs nationwide, 2,500+ on demand workout videos, healthy living coaching, activity tracking and much more.

### Alternative Health & Wellness

ChooseHealthy™ Program provides a 25% discount off regular fees, and access to a wide variety of credentialed specialty health care practitioners.

### Cellular Repair

Cell phones are essential! They are our first line of contact with family, friends, for business, and for emergencies. We use them for text messaging, for email communications, for capturing pictures, researching information, mapping locations, for apps of every kind, and for pure entertainment. We simply cannot live without them! That is why we provide a Cellular Care Coverage Plan to valued members. The plan will reimburse the costs associated with repairing your device if it is damaged, no matter how the damage occurred.

### Dental

Save 20% to 50% on most dental procedures including routine oral exams, unlimited cleanings, and major work such as dentures, root canals and crowns through one of the largest dental networks nationally with a focus on neighborhood dentists.

### Diabetic Supplies

Better Living Now, Inc. (BLN) is a managed care provider of health care products and services, specializing in the needs of patients with chronic conditions. BLN brings these values to the member: Free shipping and choice of free gift with first order, Durable Medical Equipment at 20% - 30% off retail price, Disposable Medical Supplies – 20% to 40% off of retail price.

### Direct Labs

A simple inexpensive blood test could save your life. Serious medical conditions such as heart disease, prostate cancer, diabetes, thyroid disease and more can go undetected for up to two years without noticeable symptoms. The earlier a problem is detected, the easier and more likely it is to be treatable. You now have direct access to the major clinical labs across the USA for those important blood tests at a special group rate price. You do not need a prescription from your doctor, a Direct Labs physician will provide one for you.

### Foot & Ankle Care

Members have access to Healthcare Network of America's podiatry services and can receive a 50% discount on the provider's fee for the initial exam and 20% discount on the provider's normal fee for all other services.

### Hearing

Save 40% on diagnostic services, including hearing exams, at over 3,800 provider locations nationwide.

### LASIK (Vision Correction Surgery)

Members will receive savings of 40% to 50% off the overall national average cost for Traditional LASIK surgery through QualSight. Members can receive significant savings on newer procedures like Custom Bladeless (all laser) LASIK. The QualSight program is not an insured program.

### Life Line Screening

You may not be aware that there is a simple, convenient way for you to get preventative health screenings and take charge of your health. Life Line Screening goes beyond your regular checkup with painless ultrasound screenings that can reveal dangerous plaque buildup or blockage. These tests are not only accurate, but they are also conducted in your neighborhood and non-invasive. Life Line Screening is convenient, taking a little more than an hour of your time for five valuable screenings.

### Prescription Discounts

Members will have access to prescription drug savings between 15% to 60% off the retail price of generic drugs at over 68,000 participating pharmacies nationwide including, Safeway, CVS, Duane Reade, Walmart, Target, Walgreens, Rite Aid and many more. Even if members have prescription benefits through a health insurance carrier, a comparison of costs between the two programs should be performed to determine the most savings.

### Quarterly eHealth Newsletter

Delivered via email each quarter our newsletter features information on keeping your entire family Healthy, Wealthy and Wise.

### Telemedicine

Teled for LIFE™ is a modern, easy-to-use telemedicine solution for non-emergency illnesses and general care. You and your family have direct access to state-licensed and fully credentialed doctors, via phone or video consultations, to receive treatment and advice for common ailments, including colds, the flu, rashes and more. Doctors are available 24 hours a day, 365 days a year allowing you and your family convenient access to quality care from home, work or on the go.

### Vision
